Connect Financial Software Solutions and Achieve Financial Credit Union Partner for Online Banking Solution

Credit union signs a multi-year agreement for Internet Banking, Bill Payment, and more.

SALT LAKE CITY, UTAH – November 11, 2010 - Connect Financial Software Solutions today announced a multi-year agreement with Achieve Financial Credit Union. With more than 15,000 members and \$100 million in assets, Achieve Financial selected Connect for its consumer suite of Internet banking, bill payment, and other services. Connect's hosted, online banking solution will be tailored to fit the credit union's specific member and operating needs including adding significant third party integration.

Andrew Klimkoski, president and CEO of Achieve Financial Credit Union said "After being with a leading provider for many years, we were pleasantly surprised with the superior value proposition Connect FSS will bring our Credit Union and its members by expanding our e-banking offerings, improving staff efficiencies through tighter integration to our Fiserv Spectrum core, all at significant cost savings. I wish we had looked at Connect FSS sooner."

According to Grant Parry, President of Connect, "Achieve Financial was looking for greater flexibility and to improve their members' online experience. High levels of application and host system integration were needed to significantly improve their return on investment. A dynamic online channel is critical to the ongoing success of Achieve Financial, and we're pleased to help them achieve their business objectives."
